- Recent research on individual decision making. An invited address to the 140th Annual Meeting of the American Association for the Advancement of Science, San Francisco, February, 1974 (with Amnon Rapoport).
- Effects of mastery criterion level on student achievement in a Personalized System of Instruction (PSI) course. Presented to the Annual Meeting of the Southwestern Psychological Association, Albuquerque, New Mexico. April 1976 (with Joseph A. Parsons, Presenter).
- Learning as a function of individual differences, instructional treatments and word imagery. Presented to the Rocky Mountain Psychological Association, Phoenix, Arizona, May, 1976.
- Direction and unit size of practice in learning an ordered list. Presented to the Rocky Mountain Psychological Association, Albuquerque, New Mexico, May, 1977 (with Joseph Parsons, Alan Blumenthal, Mark Joyce & Richard Surber. Alan Blumenthal, Presenter).
- An extension of the RTI model and its optimal instructional strategy. Presented to the Annual Meeting of the Psychometric Society, Chapel Hill, North Carolina, June, 1977.

Papers Presented at Professional Meetings (continued)

The use of analysis of covariance in tests of attribute-by-treatment interactions. Presented to the American Educational Research Association, Toronto, Ontario, March, 1978 (with Scott Maxwell). Abstract published in *Resources in Education*, November, 1979.

Ritual play in infants and toddlers. Presented to the International Infancy Conference, Providence, Rhode Island, March, 1978 and to the Southwestern Society for Human Development, Fort Worth, Texas, March, 1978 (with Frances Harnick and Mark Joyce. Frances Harnick, Presenter).

The effects of constant and varied presentation orders on organization and recall. Presented to the Rocky Mountain Psychological Association, Denver, Colorado, April, 1978 (with Gerald Clausen, Presenter).

Parent-infant social interactions: A Markovian analysis. Presented to the First Joint Meeting of the Psychometric Society and the Society for Mathematical Psychology, Hamilton, Ontario, August, 1978 (with Mark Joyce and Frances Harnick. Mark Joyce, Presenter).

Limb apraxia and motor performance. Presented to the International Neuropsychological Society, New York, New York, February, 1979 (with K. Y. Haaland and B. E. Porch. K. Y. Haaland, Presenter).

Aptitude X treatment and materials X treatment interactions in keyword method research. Presented as part of a symposium of the Division of Learning and Instruction to the American Educational Research Association, San Francisco, California, April, 1979. Abstract published in *Resources in Education*, September, 1980.

Motor deficits after left and right hemisphere damage due to stroke or tumor. Presented to the International Neuropsychological Society, San Francisco, February, 1980 (with K. Y. Haaland, Presenter).

The modeling and optimization of text comprehension. Presented to the American Educational Research Association, Boston, Massachusetts, April, 1980 (with Sherman Tyler and Mark Kinnucan. Sherman Tyler, Presenter).

The difference between ANOVA of residuals and ANCOVA. Presented to the American Educational Research Association, Boston, Massachusetts, April, 1980 (with Scott Maxwell). Abstract published in *Resources in Education*, January, 1981.

An exploration of the verbal encodability hypothesis for sex differences in the Digit-Symbol (Symbol-Digit) test. Presented to the Rocky Mountain Psychological Association, Tucson, Arizona, April, 1980 (with Ralph Norman and Dorothy Miller. Ralph Norman, Presenter).

On using analysis of covariance in repeated measures designs. Presented to the American Statistical Association, Houston, Texas, August, 1980 (with Scott Maxwell).

Another look at ANCOVA versus blocking. Presented to the American Educational Research Association, Los Angeles, April, 1981 (with Scott Maxwell and Charles Dill. Scott Maxwell, Presenter).

A children's Hispanic background scale. Presented to the Rocky Mountain Psychological Association, Denver, April, 1981 (with Ricardo Martinez and Ralph Norman. Ralph Norman, Presenter).

Scales and statistics: Internal validity versus construct validity. Presented to the American Educational Research Association, New York, March, 1982 (with Scott Maxwell, Presenter).

Papers Presented at Professional Meetings (continued)

- ANCOVA and repeated measures: Dealing with heterogeneity of regression. Presented to the American Educational Research Association, Montreal, April, 1983 (with Scott Maxwell).
- Complex comparisons in repeated measures designs. Presented to the American Educational Research Association, New Orleans, April, 1984 (with S. Maxwell and M. Sternitzke. S. Maxwell, Presenter).
- Planned versus post hoc contrasts in repeated measures designs. Presented to the American Educational Research Association, San Francisco, April, 1986 (with Scott Maxwell, Presenter).
- Evaluation of treatment programs for DWI first offenders. Presented to the Minority Biomedical Research Support Symposium, New Orleans, April, 1986 (with Al Lucero, Eligio Padilla, and Ted Flores. Al Lucero, Presenter).
- Recidivism among DWI offenders. Presented to the Minority Biomedical Research Support Symposium, New Orleans, April, 1986 (with Al Lucero, Eligio Padilla, and Ted Flores. Al Lucero, Presenter).
- Alternative analyses of Latin square designs. Presented to the American Educational Research Association, Washington, D.C., April, 1987 (with Scott Maxwell).
- Confounding of effects in equal n designs: Factorial ANCOVA. Presented to the American Educational Research Association, New Orleans, April, 1988, and to the SAS Users Group International Annual Meeting, San Francisco, April, 1989 (with S. Maxwell and M. McDaniel. Scott Maxwell, Presenter).
- CT scan cerebral hemispheric asymmetries: Predictors of recovery from aphasia. Presented to the International Neuropsychological Society Annual Meeting, Vancouver, BC, February, 1989 (with H. L. Burke, R. A. Yeo, & L. Conner. Harold Burke, Presenter).
- The effectiveness of the community reinforcement approach: Preliminary findings of a clinical replication trial. Presented to the Fifth International Conference on the Treatment of Addictive Behaviors, Sydney, Australia, February, 1990 (with W. R. Miller, R. J. Meyers, R. K. Hester, H. A. Montgomery, & P. J. Abbott. Reid Hester, Presenter).
- Using multiple regression to test nonorthogonal contrasts: A poor substitute for ANOVA. Presented to the American Educational Research Assoc., Boston, April, 1990 (with Scott Maxwell).
- The community reinforcement approach: 6 and 9 month follow-up results. Presented to the Annual Association for the Advancement of Behavior Therapy Convention, San Francisco, November, 1990 (with R. K. Hester, W. R. Miller & R. J. Meyers. Reid Hester, Presenter).
- Relapse prevention procedures as adjuncts to alcoholism treatment: One year follow-up results. Presented to the Annual Association for the Advancement of Behavior Therapy Convention, San Francisco, November, 1990 (with J. M. Brown, W. R. Miller, J. E. Smith, M. J. Dougher, C. T. Rimmele, & T. H. Bien. J. M. Brown, Presenter).
- Bivariate median splits and inflated Type I error rates. (with Scott Maxwell, Presenter). Presented to the American Educational Research Association, Chicago, April, 1991.
- Validation of a personnel selection system for landing craft - air cushion (LCAC) vehicle operators. Presented to the 62nd Annual Scientific Meeting of the Aerospace Medical Association, Cincinnati, OH, May, 1991 (with D. L. Dolgin, T. Nontasak, & D. J. Blower. D. L. Dolgin, Presenter).
